1. Please note that the school charges you are about to select will be applied to the current month.

2. If you select an Extra-curricular item, you will be able to view and print the **BASIS Schools Extracurricular Activity Registration** form for your records, but you do not have to bring it to the school. However, additional forms may be required by your school for extracurricular participation.

3. For Arizona tax credit, you can designate the amount right when you elect the fee.

4. The fee will not be applied to your account until you've selected the Payment method at the end of the transaction and click **CHECK OUT**. You and your school will be emailed a copy, including the tax credit information.

5. Please note that per BASIS: The email you'll receive is a confirmation that you have elected the fee(s) and agree to payment. This email does not serve as a receipt for tax purposes. Your school will provide a tax credit receipt when applicable.
